East Palo Alto T-ball/Pitching Machine is a 25-year-old 501(c3) organization that provides an opportunity for under-served children to participate in an affordable, minimally competitive and academically supportive athletic program. Our players range from five to fifteen years old. Our organizational emphasis is on teaching the ideals of teamwork and good sportsmanship.

Our goal is to develop critical thinking, socially conscious, and athletic prowess in order to strengthen and create well rounded student athletes. This is to best prepare the youth are academically competitive for college admission. Additionally, we provide information to parents that will help them guide their children through elementary school, high school and college.
