

The Wake-Robin Golf Club, Inc. (WRGC) a non-profit 501(c)(3) charitable organization, will commemorate 79 years of service in promoting golf for women. *Wake-Robin Golf Club (WRGC) invites you to participate in the Helen Webb Harris Founder's Annual Scholarship Golf Tournament. WRGC is a minority women's golf club founded in 1937 by Helen Webb Harris. It is the oldest Afro-American women's golf club in the United States. This tournament helps the Club to continue the legacy started in 1937 to foster, perpetuate and advance women's interest in golf. Proceeds from the tournament will provide scholarships to graduating minority high school women who are college bound.*

It was through the leadership of Helen Webb Harris and twelve other innovative and committed Black women, that desegregating Washington, D.C. area golf courses began. We are proud to have nurtured and grown their vision into a reality -- making a difference by leading, advocating, advancing, strengthening and promoting the game of golf for women.

In "Preserving the Legacy" however, our work is far from done. It was just four years ago we were very fortunate to celebrate our 75th Anniversary with hundreds of supporters, family and friends. Over the years we have proven our dedication to promote the game of golf amongst women and in supporting our community. To continue to do this we are seeking everyone's financial support to advance one of our special initiatives – providing College Scholarships.

We ask you to join us in this worthy cause and endeavor. It therefore gives us great pleasure to extend an invitation to you to be a part of this event. As we bring together a variety of persons from surrounding communities and across the United States, we solicit your help in our endeavors to fulfill our mission – *Preserving the Legacy.*

SCHOLARSHIP PRESENTATION WILL BE MADE TO A DESERVING COLLEGE BOUND STUDENT
